

Checklist of Items/Documents to Prepare for Your Professional Certificate in Infant Care (PCIC) Course Application

1. List of admission documents to prepare in soft copy format (Please note that the maximum file size limit is 2MB and the acceptable formats are .JPG, .JPEG, .PNG and .PDF):

- ☐ Image of your NRIC (front and back)
- ☐ Passport-Sized Photograph with a white background
- ☐ Early Childhood Qualifications (both certificates and transcripts)
- ☐ ECDA L1/L2 Letter of Notification (LON)

Additional Document(s):

If you are currently working in a preschool:

- ☐ Employment Letter (dated within 3 months or supplemented with recent payslip)
- ☐ If you are a company sponsored applicant, please contact the Course Co-ordinator to request for the company sponsorship link so that your centre may generate the registration link for you. Kindly do **NOT** apply as a self-sponsored candidate via the course website.

2. Securing a Practicum Centre

Applicants must secure a practicum centre at an early childhood development centre by the first practicum module (about 5 months from the course commencement date). In the event that you are unable to secure a practicum centre by the first practicum module or fulfil all the practicum hours that is required for graduation, you may have to defer your course. This may result in the inability to complete your course within the maximum candidature period.

Total Number of Practicum Hours for PCIC: 90 hours. Practicum must be at an ECDA-Childcare Centre with an Infant Care Unit.

- Company-sponsored applicants: Your practicum centre can be the preschool you are currently working at.
- Self-sponsored applicants: Click [here](#) for a list of early childhood development centres. Please contact the centres directly to apply.

- ☐ Successfully secured a practicum centre at an early childhood development centre.
